SALES TO TAKE PLACE.

Sale No. 48. A Small Collection, comprising some fine and rare Coins and a collection of United States Fractional Currency, will be made in New York City, at the usual place, on the 28th of June. This sale will probably occupy but one day, owing to want of time in which to prepare a larger catalogue.

Sale No. 49. The Archaeological Collection of the late Prof. J. GRIER RALSTON will also be sold at the Auction Rooms of Messrs. Bangs & Co. on the 29th of June. This sale may be extended to two days, for which the collection furnishes ample material, or it may, for the reason named above, be divided, and the remaining portion sold in the autumn.

Sale No. 50 will probably take place in Pittsburgh, though at present the matter is somewhat uncertain.

OTHER SALES will be duly announced. One, the celebrated Collection of the late Dr. WINSLOW LEWIS, especially rich in Papal and Italian Medals, and comprising also a valuable Numismatic Library of more than 100 volumes.

ANOTHER. The Archaeological Collection of Mr. NORMAN SPANG, of Etna, Penn., consisting of over 6,000 pieces, illustrating almost every variety of prehistoric Stone objects found in this country. An idea of the extent and importance of this collection may be gained from the statement that it contains over 200 discoidal stones of every known variety, some 30 of which are of the largest size; few collections, comparatively, contain even one example of this form.

ANOTHER. A large invoice from the South Sea Islands, comprising several tons in amount, now on the way around Cape Horn, expected to arrive in season for an early Fall Sale.

ANOTHER. A Collection of Masonic Seals and bric-a-brac of most remarkable character. This collection has long been in my possession, and would have been offered before but for the impossibility of preparing the Catalogue.

Catalogues of these sales will be sent to all persons known to me as purchasers or collectors.

W. ELLIOT WOODWARD,
258 Dudley Street, Roxbury, Mass.

Copies of this Catalogue, with a heliotype plate, sent to order on receipt of 30 cents. Thick paper copies, priced and illustrated, may be had after the sale, price \$1.
